

Activate Camp – 19th & 20th June 2010

With over two hundred and forty Scouts and Guides from twenty different groups it is believed that this year was probably the largest camp that we have run. Based from Rhydd Covert the weekend provided the opportunity to take part in activities from flying to caving, from mountain boarding to pony trekking, from power boating to rafting. Groups came from near and far and everyone was enthusiastic to try new things as well as helping out with running some of the activities.

Yet again we were fortunate to have two dry days after a rather wet Friday night, this enabled all the activities to go ahead as planned. An unexpected addition to the camp was the fantastic firework display on Saturday night - not something we provide every year!

The team would like to thank everyone who helped with the weekend. To everyone that helped with instructing on activities, coordinated groups around on-site, escorted groups to off-site activities, helped with transporting groups to and from activities and the leaders who brought their groups along to the camp – without you all we just couldn't do it!

We hope you all enjoyed the weekend as much as we did and look forward to seeing you all again soon
