BAR SIX CHAROLAIS
& ANGUS

Dear Friends,

High Valley Ranch, Bar Six Charolais & Angus and King Ranch and Arena have once again joined together to produce the Cowman's Kind bull and horse sale, Friday, February 26, 2010 at 1 p.m. at the Central Oregon Livestock Auction Yard in Madras, Oregon.

This is not now nor will it be in the future, a consignment sale as all animals are raised by the seller ranches and guaranteed by the sellers. The sale is limited to the production of these ranches. This year we have invited a few other ranches to bring horses that have been produced on their ranches also.

We have moved the sale site to better accommodate many of our customers and this new location is much nearer to where the bulls are being conditioned. We will be as helpful as we can in getting our loyal Washington, Idaho and Wyoming friends here. As many of you know, Bar Six Ranch has moved to the Mitchell, Oregon area at the beautiful Cherry Creek Ranch on the John Day River. The terrain and conditions for the cattle remain rugged and rocky with only native forages most of the year. The cattle are doing well here and are proving to be very efficient and productive.

With the recent variables in the cattle and agriculture environment, it continues to be very important to produce consistently profitable cattle. The best known way to do this is by the use of predictable and proven genetics. We believe the Cowman's Kind bull sale offers you this kind of cattle. Many of our regular customers often report that our bulls maintain their body condition, travel freely, and cover a lot of country. The progeny of these bulls are also performing very well in a number of branded beef programs across the west.

Our goal continues to be to produce environmentally sound bulls for the commercial cowman that will be productive and profitable on the range or on the rail.

The cattle will be available for viewing February 25. Horses will be available to view 10 a.m. sale day.

We are proud of this offering and look forward to seeing you February 26. We would like to invite you to the lunch at noon, the sale and please stay for the after sale appreciation social following the sale of the horses.

Thank You

Dave, Jim, and Wade

HIGH VALLEY 3E7 OF 9C33

Friends,

Dave Duncan of High Valley Ranch has brought his bulls to us at weaning to develop with our Bar Six bulls in this climate and terrain. All of Dave's bulls are 3E7 sons; they are moderate-framed and display a lot of depth of rib and thickness throughout. High Valley 3E7 of 9C33 is producing progeny true to his sire OCC Emblazon 854E's reputation of efficient, easy keeping, forage based, profit minded cattle.

The Bar Six bulls have been on dry range pastures only until this fall and have been on corn and long stemmed hay for four months at sale time. We do not promote fat, breeding-age cattle. These bulls will have sufficient cover to be attractive to the buyer and go immediately to work without changing clothes.

Several of the bulls are very similar to look at and are closely related to be able to produce a consistent and uniform product. We would like to thank past, present and future buyers who have attended and are planning to attend our bull sale.

We think you will like our 2010 offering.

Thank you for your continued support.

Dave and Jim

We have been raising AQHA horses for over 40 years. Our horse program is simple; they must have good minds, stay sound and watch a cow.

Our stallion, Kings Tuf N Royal "Royal," is an own son of Tuf N Busy, who has over 250 performance points in roping, reining, working cowhorse, halter and all around. When Royal isn't pasture-breeding mares, he is being used on the ranch. Royal's foals are gentle, with sound minds, mature early and are a pleasure to ride. Our working horses have performed well for ranchers and in the arena for many years. When they come from this rugged terrain, they adapt easily to any environment. We pride ourselves on honesty, integrity and creditability in the horses we raise. Since 2001, it has been an honor to be named to the AQHA prestigious Breeder Referral Program.

We deeply appreciate our past and future customers and welcome you to our ranch to see how we raise our horses. For more information, you can visit our Web site at www.kingrancharena.com.

Sincerely, Wade King

"Amigo" is a Brown, 14.2 hands, and full brother to Rex. He has been used on our ranch to move and gather cattle. He is athletic, can really cover the ground, has lots of heart and will go all day long for you.

"We absolutely love both lines Dandy Derby and Kings Tuf N Royal as we have purchased 8 horses from the Kings at The Cowman's Kind. Regardless of which stud the horses come out of they all are quiet minded, learn quick at a young age, very cowy, and have lots of endurance. We've noticed with Kings Tuf N Royal added to the Dandy Derby mares you not only have a horse that works great on the ranch and in the hills, but that they are more athletic and have quickness specific to being an arena horse. The Kings Tuf N Royal horses seem to naturally want to stop with their hind end better. We're making head, heel, and calf horses out of all of the horses we've purchased and they have worked great. It's a two for one deal as you get a ranch horse, and a rope horse all in one." - Russ, Marty, Ryan & Katie Stringley, Stringley Ranch, Ellensburg, WA

"We bought Royal Bo Moon (Beau) by Kings Tuf N Royal as a weanling in 2003. He got himself in some pretty "tight" situations as a colt and he literally stood and waited till we helped him out. When he was two, we had 30 days put on him and went right to the hills. In his third year he had some roping training and roped everything that can be roped off the back of a horse. This year he started showing the grandkids the mountains from the back of a horse. Obviously he is a very trusted member of the family to pack the grandkids. Beau has always been kind, sensible and easy to catch. He is the same every day, not complicated, sure-footed and always willing to work, no complaints. It doesn't hurt that he is really nice to look at as well." - Kevin & Julie Gibb, Ellensburg, WA

SEASONED RANCH GELDINGS

This year we invited a few select bull sale customers who raise, train and use their horses on the ranch to bring seasoned ranch broke geldings. We feel having a few older, more experienced horses will be a valuable addition to the nice young started geldings that the Kings always bring. We wish to keep this offering limited so that we can provide the best choices of sound, safe and reputable horses that have done the kind of work that a ranch needs. All of these horses have been ridden extensively on ranches in big country.
