Mural Music & Arts Project's 2009 Teen Mural Program Presents ...

“Envisioning Peace”

MURAL UNVEILING

**September 11, 2009
5:30pm – 7:30pm
2043 Euclid Ave
East Palo Alto, CA**

The Mural Music & Arts Project (“MMAP”) educates, empowers, and inspires youth through participation in the arts. MMAP offers year-round youth development programs, serving the communities of East Palo Alto, Menlo Park, Redwood City, and the Potrero Hill neighborhood of San Francisco. MMAP began in 2001 as the East Palo Alto Mural Art Project, employing local teens to design and create a mural for every school in the Ravenswood school district. Since then, MMAP’s teen artists have researched, planned, and installed 13 murals in East Palo Alto and the surrounding community’s schools. These murals reflect themes of community, cooperation, equity, justice, environment, and local history. The community’s active and enthusiastic support inspired MMAP to expand and diversify its programs to include arts education, Hip Hop music production, and dance. To date, MMAP has served over 681 youth, created 66 murals and produced original music that was written, recorded, and performed by MMAP youth.

Teen Mural Program

This summer, over 30 young people were employed to research, design, paint, and unveil a mural about peace for our community. After six weeks of researching International, National, Regional and Inner Peace, youth designed and composed this stunning mural, original hip hop dance and written performances, and spoken word pieces that envision peace for our community today.
